HANSUNG

COMPANY PROFILE 2026

Wire harness and FFC, built to spec.

Founded in 1992. Supplying Samsung Electronics since 1997. Our own production plant in Vietnam.

HANSUNG ELECTRONICS CO., LTD. · Hwaseong, Korea · Ho Chi Minh City, Vietnam

01 — AT A GLANCE

Nearly three decades of harnesses for Samsung

FOUNDED

1992

As Kukje Electronics. Incorporated as Hansung Electronics Co., Ltd. in 2008.

SAMSUNG SINCE

1997

First wire harnesses shipped to Samsung Electronics in Tianjin.

COUNTRIES

8

Samsung production sites supplied across the Americas, Europe, Asia and Africa.

PRODUCTION

VN

Our own plant in Vietnam, HANSUNG VINA, producing since 2015.

Tier-1 supplier to Samsung Electronics Visual Display — wire harnesses and FFC for TVs and monitors.

Three harness types, made to your drawing

FFC

Flexible flat cable

Display-to-board connections. UL certified since 2008.

LEAD

Lead wire harness

Power and signal leads, crimped to your connector spec.

CABLE

Cable harness

Multi-branch cable assemblies for complex routing.

Every harness is built to the customer’s drawing — from prototype to volume production.

03 — MARKETS
